The review petition is at the instance of the writ petitioner. The issue pertains to the steps taken by the Government to close down an uneconomic school. Learned Government Pleader submits that action will be taken only if there is no minimum student strength. It is further submitted that as far as the current year is concerned the school satisfied the strength. Therefore, what requires to be clarified is that the judgment shall not stand in the way of any eligible benefits being granted to the school in question.

Clarified accordingly and the review petition is closed.
